PREFACE.

The Publishers have much pleasure in presenting the JULY Edition of the WINNIPEG DIRECTORY. Owing to the rapid development of Manitoba, and more especially of the City of Winnipeg, it was found necessary to issue a semi-annual edition, so as to endeavor to keep up with the march of progress; this issue containing 20 per cent. increase of new names for the six months.

The names were carefully taken by the best canvassers that could be procured and revised by a second canvas, so as to guard, as far as it is possible to do so, against errors and omissions.

The Street Directory will be found complete showing the exact location of any house.

All names are inserted in the Alphabetical Directory in Alphabetical order, and spelled as given to the canvassers. If you do not find the name you are looking for by your way of spelling try some other way, such as Braun, Brown; Caldwell, Coldwell; Macdonald, McDonald; Smith, Smyth.

Thanking you for your patronage and support.

Yours very truly,

JAS. HENDERSON,

Compiler.

TOWN OF ST. BONIFACE.

The town of St. Bonifice, opposite the city of Winnipeg, is remarkable for its religious, educational and charitable institutions. It is but natural that it should be so, as St. Boniface has seen the first church, the first school and the first hospital in the country. An iron traffic and passenger bridge connects St. Boniface and Winnipeg, making St. Boniface virtually a suburb of Winnipeg. Population 100. Mail daily.
